Requirements

(2) 10½" squares in 2 contrasting fabrics

(1) 10½" squares wadding (eg soft & bright)

thread for piecing

thread for quilting

sewing machine in good working order

scissors

needles

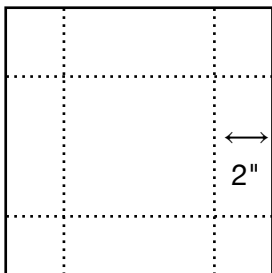

pins

marker pen/pencil

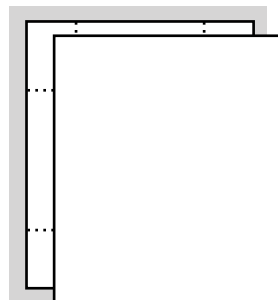

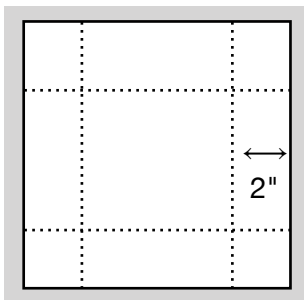

quilters ruler

Method

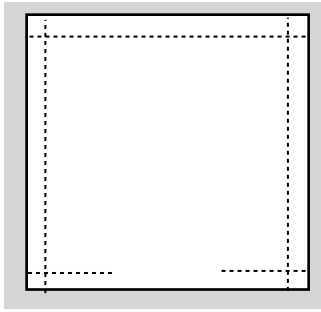

1. Draw a line 2" from the edge on all the sides of the fabric which will be on the inside of the basket.

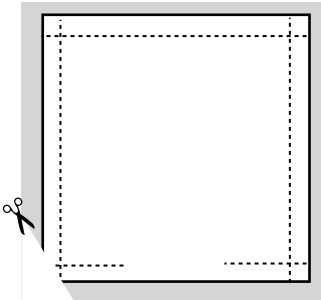

2. Place this square of fabric right side facing on top of the wadding.

3. Place the other square right side to right side on top of the first piece of fabric.

4. Pin all the layers together.

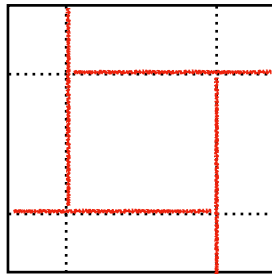

5. Sew together with a generous $\frac{1}{4}$ " seam, Leaving a small gap on one side to turn through

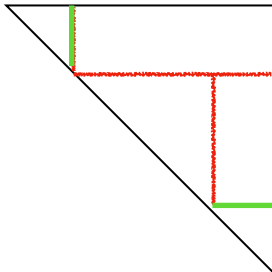

6. Trim the corners and turn through the gap. Push the corners out and press the edge.

7. Hand sew the gap closed

8. Quilt through the layers along the line marked earlier, from the corner to the edge. Red Lines on diagram

9. Fold in half diagonally with what will be the outer side of the basket on top.

10. Match the corners, pin and over stitch along the quilting lines to make the sides of the basket and external corner detail. Green lines on diagram.

11. Fold in half diagonally the opposite direction and repeat to make the final two corners.

Add your napkins and enjoy your small napkin basket.
